DSHS Approved Basic ACO Certification Course

16 HRS/\$200

There is no "BASIC" ACO course available that is comparable or complete as the TAACO course. The TAACO expanded version of the DSHS BASIC (16 HRS) includes the following, but not limited to: The history of animal control, animal health and nutrition, parasitology, an extensive section on rabies, LRCA training, recognition and treatment of common shelter diseases, familiarization with giving injection, shelter operations and sanitation, all the laws, rules and regulations the ACO/ACT must know and follow, animal capture and restraint, dangerous dog and animal bite investigations and an in depth session on animal cruelty investigation. TAACO prides itself in becoming the first entity in the history of the State of Texas to be approved to offer the DSHS BASIC ACO course outside the State itself. TAACO offers the most extensive and in-depth "BASIC" course available. Certainly, the most quality for the training dollar. Since 2005, TAACO has provided the most extensive professional training to ACOs/ACTs all over the state. All 15 TAACO in-service course DSHS, TACA and TCLEOSE approved.

The "Basic" student will receive a "Letter of Completion" and be scheduled for the next and closest state exam as possible. (Exams only offered by DSHS in each ZC region) There is no cost for the testing, and TAACO offers FREE Basic course retakes, if for some reason the state exam is failed, however TAACO has a 97% pass rate.

NEW TAACO Advanced ACO Training Course

12 HRS/\$250

This course is approved by TACA for certification and DSHS as continuing education credit per SEC 829 of the THSC. The ADVANCED ACO TRAINING COURSE is the (2nd) level of four levels of progressive training courses for ACOs.
Requirements: Complete the BASIC ACO course with a minimum 1 year of service as a Basic Certified ACO
